## **Growth Models for School and Teacher Accountability**

**Day:** Tuesday, November 16, 2010  
**Session:** 2:00 – 3:15 pm  
**Room:** Mohave West

### **Presenter:**

**Robert Franciosi** – [robert.franciosi@azed.gov](mailto:robert.franciosi@azed.gov)  
Deputy Associate Superintendent of Research and Evaluation  
Arizona Department of Education

### **Session Description:**

This presentation will explain how growth models are used for accountability. It will review the growth models, both current and proposed, used for school and LEA accountability in Arizona. Participants will gain an understanding of what growth models are, and how they may be used wisely.

### **Presenter Information:**

**Robert Franciosi** is the Deputy Associate Superintendent for Research and Evaluation at the Arizona Department of Education. He has served at the Arizona Department of Education for seven years. He is responsible for applying the school accountability systems required by law. He led the design of the growth model that won approval for Arizona as one of the NCLB growth model pilot states; and led the redesign of the growth model used for state school evaluations. He has a Ph.D. from the University of Arizona and a Bachelor of Science from the California Institute of Technology.
